EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

a) In the Title

Replace title with: --Light Emitting Structure Including an Exposed Electrode Overlapping a Wiring or Conductive Layer--

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: in claim 1, lines 9-19,

"wherein the electrode of the light-emitting element is formed so that at least a portion of the electrode of the light-emitting element is overlapped with the wiring,

wherein the wiring is connected with the electrode of the light-emitting element through the contact hole,

wherein an entire exposed portion of the electrode of the light-emitting element in an opening of the third film overlaps with the wiring and

wherein the contact hole in the second film is

overlapped with the third film,"

and in claim 19, lines 9-20,

"wherein the electrode of the light-emitting element is electrically connected to the conductive film through a contact hole in the second insulating wherein the electrode of the light-emitting element is formed so that at least a portion of the electrode of the light-emitting element is overlapped with the conductive film,

wherein an exposed portion of the electrode of the light-emitting element in an opening of the partition layer overlaps with the conductive film, and wherein the color filter is overlapped with the overlap portion of the electrode of the light-emitting element and the conductive film,"

cannot be found in the prior art of record. The prior art of record fails to teach, in combination, the process features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William M. Brewster whose telephone number is 571-272-1854. The examiner can normally be reached on Full Time.
